Honorable Dan Becton

The Jacksonville Sheriff's Office (JSO) and the Sheriff's Watch would like to express our sincere gratitude for your participation in the 21st Annual Sheriff's Watch Safety Fair at the Avenues Mall on August 4th, 2018. We truly appreciate the generous donation of your valuable time and resources. We also realize that it is only with your assistance that we are able to offer this event to the public.

Again this year, the Safety Fair was a tremendous success. We were able to offer free electronic fingerprinting and photographing. In addition to these components geared toward child safety, the event offered safety exhibits for all members of the community.

The Safety Fair not only increased awareness about public safety, but provided an opportunity for the community, especially the children, to interact with law enforcement in a fun and positive environment. The children enjoyed the displays of police motorcycles, traffic vehicles, helicopters and even a police horse. They also enjoyed seeing fire trucks, and boats from several agencies.

Thank you again for your contributions and sense of civic responsibility. The participants' role in the event exemplified our agency's core value of "**Community Focused**". I look forward to working together during the coming year.

Sincerely,
MIKE WILLIAMS, SHERIFF
